Y-3 SHORT SLEEVE SHIRT*A RELAXED BUTTON-DOWN SHIRT BY Y-3.*

"Y-3 is a strong examination of the blend of sport and style and the tension caused by mixing tradition with all that is modern." — Yohji Yamamoto

For 20 years, Y-3 has drawn on the past to transform the future, with a tinge of nostalgia always present. The seasonal Short Sleeve Shirt reflects on Y-3's early days when relaxed tailoring was practically unheard of in the realm of sportswear. It's crafted from formal paper shirting material with a shape that flows on the body. Subtle 3-Stripes detail the high collar and left sleeve cuff.

Made in part with recycled content generated from production waste, e.g. cutting scraps, and post-consumer household waste to avoid the larger environmental impact of producing virgin content.

FABRIC AND QUALITY ARE DISAPPOINTING

I am 4'11 and weigh 162 lbs. For whatever reason this fabric is totally different compared to their cotton pants. I typically like my sweats / pants to have a little room so I ordered a medium because I own a different color in these but in a large and their too big. If a medium is too small and a large is too big I don't know what that means or says about these pants. I refuse to return or exchange these pants because of COVID-19 and all the delays in shipping.

When the world's biggest sporting event is just around the corner, you add some splash to your crop top to celebrate. A little flash, a big hit of color and a gradient adidas Trefoil. It all adds up to a classic look with a bit of edge.
